

David Bromley

Bio

Currently lives and works in Adelaide
1964 - Born Sheffield England

“Artist David Bromley's nostalgic paintings of plump children, magical gardens and gilt nudes are adored by collectors in Australia, Japan, London, Dublin and New York. But Bromley heads an art empire that extends well beyond paint. Based in a two-storey studio overlooking a park in South Yarra, the former Adelaide artist surrounds himself with creative people whose work and ideas intertwine.”
