

What we have is enough (Hay Plain), oil on linen

The Art Vault has great pleasure in inviting you to an exhibition by

Jason Benjamin

'When I am in the field I begin each day by walking and observing with great concentration on the fabric of my surroundings. Collecting pieces as I go. Each morning in my studio before painting I draw with particular care and curiosity one of these leaves or branches. It is like a kind of observance that there is movement, life and melody even in it's most reduced form. In every detail. This process has given me much greater insight into composing the paintings. To arrive at a place of light and harmony is a long road and these drawings are my notes from this journey.'

The exhibition will be opened by Stefano De Pieri on
Wednesday 28th of October at 6pm
and will continue until Sunday 15th of November.
