

Shane Jones 2 Day Painting Workshop

The aim of this workshop is to show, through demonstrations, a number of ways a painting is begun and the transitional stages that lead to a finished painting. There will be discussions on palette preparation, colour, mediums, brushes, the simplicity behind something that seems visually complex and the relationship between technique and the ideas behind the image.

10am - 4pm, Sat 19 - Sun 20 June, 2010 - \$220

Concession and students \$150
