

THE ART VAULT

Making Art and Making Money?: Business Basics for Artists with special guest, artist and advisor Drew Pettifer.

Being an artist these days seems to be more administration than inspiration. Once you work your way through tax and business structures, you still have to work out your market and build a base of collectors. So how do you create a sustainable practice as an artist and make money so that you can keep doing what you love doing? Artist and solicitor Drew Pettifer will cover all of this and more in this interactive presentation. Participants will receive an information kit containing fact sheets and guides to services available to artists.

Wednesday 24th August 6 - 7pm

Cost: \$10 per person, nibbles and drinks provided.

Bookings ESSENTIAL through The Art Vault. Get in quick for this one off opportunity to learn and discuss the possibilities for your future!
