

Anne Hederics

Bio

Anne Hederics is an artist and writer with a foundation as a publications and graphic designer. Twenty years of sessional art and design teaching followed at the Sunraysia Institute of TAFE in a variety of departments within the TAFE system in Mildura, Broken Hill, Dareton and Robinvale and fabric enhancement for the Sunraysia Institute of TAFE Clothing department. Developing a silk dyeing workshop for Aboriginal women in Robinvale saw the interest in this fabric and the luminous colour achievable, grow and intensify.

Anne now works mostly with natural fibres, exploring the potential of old techniques of construction and manipulation.

As an ongoing project Anne and her husband Steve have an art tour business, Artback Australia, which takes groups of artists out into the bush for uninterrupted work time. They have a studio and accommodation facilities on the banks of the Darling River near Wentworth in New South Wales and a studio/gallery in the main street.
