

Chris Fraser

Bio

Local artist and teacher.

Began exhibiting at Koorlong Fine Craft Gallery 1988.

Began teaching at Mildura Secondary College 1985.

Currently teaching VCE Art and Studio Arts at Mildura Senior College.

Artist Statement

Colour is all important to my artwork; colour, line and pattern. Influences are many and everchanging. They range from exotic fruit to illustrated books to the universal subconscious. Over the last few years I have worked from early childhood photos, which are black and white. My aim was to take the personal and interpret it in a more universal and symbolic form. I gain a great deal of pleasure from seeing the enjoyment that other people gain from my artwork.

Solo Exhibitions
